

## **MANDURAH MAGIC REPRESENTATIVE TEAMS 2020 BWA STATE CHAMPIONSHIPS AND 2021 WABL SEASON**

Mandurah Magic are seeking passionate and dedicated people to lead our basketball teams and be part of the dynamic coaching staff.

Mandurah Magic invite applications for Head Coach and Assistant Coach roles for the Junior Representative Basketball teams competing in the 2020 BWA State Championships and the 2021 WABL competition. (inexperience should not be viewed as a deterrent to applying)

### **Application Checklist:**

- Application form completed (all sections of application complete)
- Working with Children's Card details provided (copy attached to application)
- Agree to minimum Junior Representative coaching requirements.

### **JUNIOR REPRESENTATIVE COACHING REQUIREMENT AND SELECTION PROCESS:**

As part of the 2020/2021 season, coaches will be provided with help from Development to align with an overall club playing identity as well as growth as coaches.

Our Playing Identity is recognised and designed with a set of base skills and concepts the club is seeking as a minimum standard. The skills are designed to be complimentary and allows coaches to apply their own styles to their teams as they have done in previous seasons.

The identity will be delivered as part of the weekly combined skills sessions but will be expected that coaches also include the concepts in the regular weekly training sessions. Development will provide on court coach meetings prior to and during the season to demonstrate the skills delivery from the base content.

Coaches will also have access to development resources and must be open to receiving feedback from the development group in a positive manner aimed at sharing knowledge and improving. The content is tailored to age groups and will also be used as a base (not solely) for player selection criteria.

Coaching roles are to be decided by a selection panel. Coaches will be selected into Age group Squads then appointed a team for BWA State Championships. Whilst you may be selected as a coach in a role for State Championships, this role may change for the WABL season if determined by the selection panel. Preference for age groups, whilst taken into consideration, cannot be guaranteed.

### **As a coach you acknowledge the requirement to participate in**

- Learning and delivery of Junior Representative playing identity.
- Attending coach team sessions and coaching content training sessions.
- Participate in weekly skills sessions.
- Be open to constructive feedback and improvement.
