

MANDURAH MAGIC REPRESENTATIVE TEAMS 2022 WABL SEASON

Mandurah Magic are seeking passionate and dedicated people to lead our basketball teams and be part of the dynamic coaching staff.

Mandurah Magic invite applications for Head Coach and Assistant Coach roles for the Junior Representative Basketball teams competing in the 2021 BWA State Championships and the 2022 WABL competition. (inexperience should not be viewed as a deterrent to applying)

Application Checklist:

- Application form completed (all sections of application complete)
- Working with Children's Card details provided (copy attached to application)
- Agree to minimum Junior Representative coaching requirements.

JUNIOR REPRESENTATIVE COACHING REQUIREMENT AND SELECTION PROCESS:

As part of the 2022 WABL season, coaches will be provided with help from Development to align with an overall club playing identity, as well as growth as coaches. This playing identity will be mandatory for all coaches and teams.

Coaches will also have access to development resources and must be open to receiving feedback from the development group in a positive manner, aimed at sharing knowledge and improving. The content is tailored to age groups and will also be used as a base (not solely) for player selection criteria.

We are in the process of improving the Trial Process, this year all Junior Representative Teams will be selected by the selection panel only. Once Teams are finalised Coaches will be allocated a team for BWA State Championships and the WABL season. Please note that whilst you may be selected as a coach in a role for State Championships, this role may change for the WABL season if determined by the selection panel.

As a coach you acknowledge the requirement to participate in

- Learning and delivery of Junior Representative playing identity.
- Attending coach team sessions and coaching content training sessions.
- Be open to constructive feedback and improvement.
